NO. C19-0793RSL

ORDER

14
15 Currently pending before the Court are nineteen motions for summary judgment. Four of
16 the motions are fully briefed and are ready for consideration.

17 In response to the two motions noted for Friday, February 28, 2020, however, plaintiffs
18 filed a request for additional time to obtain a new Navy expert to opine regarding the activities in
19 which Mr. Wineland would have participated while assigned to certain Navy vessels and
20 whether he would have worked with or around the various defendants' products. Plaintiffs'
21 original expert regarding these matters, Captain William Lowell, passed away on February 16,
22 2020.
23

24 The parties are currently meeting and conferring as to the appropriate course of action in
25 these circumstances. Rather than have plaintiffs file multiple requests for additional time to
26 respond to the remaining fifteen motions for summary judgment and defendants file replies
27
